

# Birthday Parties are

**no muss, no fuss – just lots of FUN!**

## **What is Abrakadoodle?**

Abrakadoodle is the country's largest art education program for children ages two through twelve. Abrakadoodle provides age-appropriate activities that feature a wide variety of materials and techniques. Children learn about artists, styles and media and use their imaginations to create their own original art. Each piece of artwork is framed with Abrakadoodle's own FrameDoodles®. Abrakadoodle is a partner of Crayola®. We use Crayola products ensuring the use of safe, non-toxic and creative materials.

## **Abrakadoodle Parties are easy to host and include:**

- A framed art activity for each child lasting approximately 45 minutes
- A commemorative Abrakadoodle t-shirt signed by the party guests for the birthday child
- An edu-taining ARTrageous art teacher!
- All art materials as well as lesson set up and clean up
- Lots of ZANY FUN!

## **Have The Party In Your Home**

- To host the party in your home, you will need to provide table space and a chair (or floor space) for each child.
- We recommend scheduling the art activity early in the party. This allows time for the art projects to dry before guests depart.
- There is no additional fee to have the party in your home.

## **Find a location for your party**

- If you don't want to have the party at home, consider booking a party room at the park district or calling your church to see if they have a room to rent. You will be responsible for any additional rental charge if you are not using your home.

### **Pricing**

Minimum: \$180 for up to twelve children

Additional children (after 12): \$8 per child

Event cards are included free of charge—let us know if you would like to use them. These are business card size and announce to your guests that Abrakadoodle will be at the party. They can be easily included in your themed invitation.

## **Deposits and Damages**

A \$50 non-refundable deposit is due to hold your reservation. We accept personal check, Visa or MasterCard. Abrakadoodle uses only safe, non-toxic, washable Crayola products and provides drop cloths to protect furniture if the party is being held in your home. While we take care to perform reasonable clean up after each party, we cannot be held responsible for any damage done to clothing, furniture, carpeting, drapes, or other household items if the party is held in your home.

## More Fun! You can add on:

### Face Painting: \$50

Add some excitement to your party with face painting! Children choose from ten of our most popular designs for their face painting. Allow 1 hour for face painting per 12 children.

### Unique Goodie Bags for each child: \$6 each

Add a quart-size paint can decorated with a splat and filled with Crayola® products and an Abrakadoodle Tattoo—personalized with each guest's name free of charge!

### Guests Create a Special Work of Art for the Birthday Child: \$30
