

All New 2008 Kamp KaDoodle – Summer Art Camps

Registration Available thru The Parker Recreation Center only. For additional camp dates and locations, please visit our website at www.abrakadoodle.com/co04.html

Our visual arts summer camps are the perfect opportunity to ignite your child's creativity and develop new skills. Each camp program is offered Monday thru Thursday with themes that will capture your child's imagination – from sculpting, printing, painting, pastels, mixed media and more. Your child will enjoy hands-on adventures with inspiring media and materials, while learning about artists, art terms, art history, and culture. Along the way we'll play games, sing songs, and read stories. Each child leaves class with a framed piece of art. Please bring a beverage and a peanut-free snack. Dress for Mess.

Paint Yourself Silly! Ages (3-5)

Get messy or stay clean but don't miss this chance to express yourself in this unique painting class. We'll explore various mediums of paint including watercolor and tempera. We'll paint with daubers, brushes, bubble wrap and more while learning about color, paint, technique, style and art vocabulary. Each class introduces a new artist from master to contemporary. Join us for a wild and wacky painting extravaganza! Along the way we'll play games, sing songs, and read stories. Please bring a beverage and a peanut-free snack. Dress for Mess

All Day Art And Science Camp – Camp Rockin' Doodle (6-12 years)

Are you wondering how to keep your kids busy this summer? Tired of them playing video games and watching TV all summer long? Rock-N-Doodle Summer Camp is the perfect solution for promoting summer fun, while encouraging your child's natural curiosity and creativity. We've combined art and science concepts with hands-on projects and experiments for loads of learning and a fabulous time! Activities include: making a milk explosion, action painting, having fun with flowers, playing with polymers, creating your own sculpting medium, and much, much more.

Portfolio Kids – Media Mania! (1st-6th grade)

Students will develop a portfolio of work using a variety of mediums. Exploring media such as watercolors, tempera and acrylic paints, pastels, papers, and sculpture mediums will encourage children to discover new and exciting techniques for their own artistic creations. Master and contemporary artists will be studied along with appropriate art vocabulary. All students will create their very own portfolio to safeguard all of their masterpieces! Please bring a beverage and a peanut-free snack. Dress for Mess
