

Camp Abrakadoodle®

ABRAKADOODLE'S REMARKABLE ART CAMPS ARE BACK THIS SUMMER AT THE TENAFLY NATURE CENTER!

Abrakadoodle's camp programs are carefully planned for maximum fun! Two camp themes are being offered this year:

NEW! Garden ART Safari

Abrakadoodle and Lady Bird Johnson's Wild Flower Center have joined together to create this special program. Art lessons focus upon the elements in a garden such as soil, plants and pollinators and artistic styles and techniques that lend themselves to a garden environment. This is a wonderful art and science program in which the art is all about this special environment!

NEW! Green Kids in a COLORFUL World!

Green kids care about the environment and we do too at Abrakadoodle! In this new series of lessons we will create remarkable art using recycled items. Our recyclers will learn about reusing common everyday items and turning them into masterpieces. Join our colorful world where we put the emphasis on GREEN!
