What is Abrakadoodle?

Abrakadoodle is the country's largest art education program for children ages two through fourteen. Abrakadoodle provides age-appropriate activities that feature a wide variety of materials and techniques. Children learn about artists, styles and media and use their imaginations to create their own original art. Each piece of artwork is framed with Abrakadoodle's own FrameDoodles®. Abrakadoodle is a partner of Crayola®. We use Crayola products ensuring the use of safe, non-toxic and creative materials.
