- Each party guest leaves with the best party favor ever ... their own FRAMED piece of original art.

Arty Parties at Your Home or any location of your choice:

- The Abrakadoodle Art Party lesson takes approximately 45-minutes to 1-hour. This portion of the party is devoted to art activities supervised by an Abrakadoodle teacher. For party attendees that below 3-years old, we ask that a parent/responsible adult help and assist the child. If you are adding face painting, this will be done after the art activity.
- We do not supply cake, food or beverages, but for an additional fee Abrakadoodle staff can stay on site after the party to assist with cake cutting, present opening, and take care of all set up/clean up, etc.

What is Abrakadoodle?

Abrakadoodle is the country's largest art education program for children ages two through twelve. Abrakadoodle provides age-appropriate activities that feature a wide variety of materials and techniques. Children learn about artists, styles and media and use their imaginations to create their own original art. Each piece of artwork is framed with Abrakadoodle's own FrameDoodles[®]. Abrakadoodle is a partner of Crayola[®]. We use Crayola products ensuring the use of safe, non-toxic and creative materials. Arty Party Themes

Abrakadoodle has dozens of party themes. Our most favorite parties are listed below. You may also contact us to discuss your theme for your child's party and we will discuss art activities that go along with your theme.

Crazy Cakes! Explore the art of a famous cake artist – Wayne Theibaud (Tie Bow). Kids create their own wild and crazy cake by designing and decorating their own personal collage! They also have fun exploring cake puzzles and activities. Always a hit!

Wow Castles! The children get a basic drawing lesson while learning how illustrators, like Robert Neubecker, use their imaginations to help tell a story. The kids will impress everybody with their castle creations and “Wow” them with a story!

Wild and Wiggly Art Explore the wiggly lines and brilliant colors of artist Frank Stella with a Stella Doodle. Kids will create their own masterpiece that brings out their own creativity!

Other lessons include: Mini Matisse; Icky, Slimy, Gooley; Action Painting, and more! Abrakadoodle has hundreds of wonderful lessons. We can create a lesson around your theme. Simply contact us at :

“What can I say other than thank you, thank you! The girl's birthday party was a big success! The kids had a great time and the parents kept telling me how great it was.

They all asked how I found out about Abrakadoodle – which was on the internet.

Aside from being something different and entertaining for the kids, the best part for us was no stress! You all were great. The teacher ... was great! We loved her. Just wanted to let you know how much we appreciate everything – what a fun party!

You do a great job at Abrakadoodle!”
